Yearbook Theme

Leominster High School has always represented itself in a positive way. The 2016 Yearbook Staff came up with a theme that they believed represented all the positive and unforgettable memories we shared during our time at LHS. Our theme this year is "The Last Mile" to symbolize the ride we took throughout our four years of high school and how it is coming to an end. It is time to begin our own route to success. Our senior section is labeled "Crossing the Finish Line" because we made it all the way to graduation through the difficult and enjoyable times we experienced. It all has finally paid off. Throughout the book Crossroads, Fan Section, Trainers, Sponsors, Ready Set Go, and Don't Let the Memories Run Away are headings used to symbolize the journey throughout high school.

The Class of 2016 would like to dedicate this yearbook to our fellow classmate

Jacob DeCarolís

To Jake,

We knew from an early age that you were an amazing child, and you'd grown up to do great things. We didn't know just what life had in store for you, until this year. It's been the trial of the last several months that has shown us just how strong and brave you really are, and what a remarkable man that you've become. You have faced cancer with courage, grace and dignity that has been truly motivational to all of us who are fighting this fight with you. You have inspired us with your faith, as you trust in the Lord to carry you through this journey. We're confident that you will move forward with your life's plan, and find success in all that you do.

The Light

You are our hero,
and we love you very
much.

Dad, Mom and Sam

"When you think all is forsaken

Listen to me now,

You need never feel broken again

Sometimes darkness can show you the light"

Leominster Center for Excellence

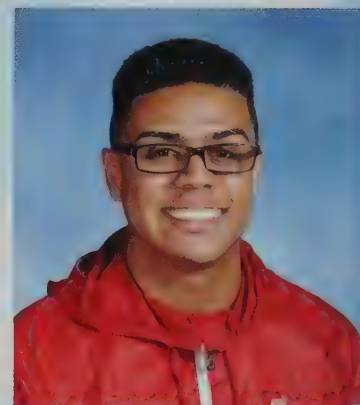

Leominster Center for Excellence is a small innovation high school in the Leominster Public Schools, and a Big Picture Learning School. We believe that students learn best when they engage in authentic, rigorous and important work, both in school and with adults in the community. In conjunction with their teacher-advisors and family members, each student designs an Individual Learning Plan focused on their interests and passions. These learning plans guide the academic expectations and personal growth goals for each student and serve to measure progress. Two days per week students work with a mentor in the community in an internship of their choosing where relevant, authentic projects and learning give them a sense of how their interests play out in the real world and help them prepare for college and career. We measure students' progress and readiness for graduation by assessing the growth of skills in five learning domains, successful participation in key experiences, and demonstration of careful preparation for continued success after graduation from LCE.

LHS and CTEi Class Advisors

LHS Advisors: Ms. Kogut and Mrs. Maynard
CTEi Advisors: Mrs. Cucchiara and Mr. McNamara

Dear Class of 2016,

We have been privileged to have had the opportunity to work with your class for the past four years. You have taken the opportunity to improve your intellect, your compassion for others and your self-worth. What strikes us the most about all of you is your willingness to go beyond the classroom to help others.

You have honored veterans, helped the needy in disadvantaged countries, given service to the Leominster community and helped to conserve the environment. You have improved the climate of Leominster High School through anti-bullying, gender tolerance and teen dating violence programs. Lastly, as a class you have helped a fellow student who was experiencing an illness feel included in his senior year through a dodgeball tournament and by distributing supportive blue bracelets.

You have proven that the key to your generation's sustainability of natural and human resources is accomplished by caring for each other as well as the environment. More importantly, you have come to realize that sharing your talents and supplies such as water, clothing and food improves not only the lives of others, but also your own well being and self worth.

We know that your empathy, kindness and abilities will carry you to a bright and promising future where you will meet your career, service and life-long goals. Continue to be the great generous students that you are and remember to always take time to help the lonely, the lost and the poor.

You have the ability to make a difference. Each of your lives has a special purpose. Find your calling. Stand up for others. Never give up on your dreams. We believe in you.

Love and Blessings to You Always,

Ms. Carolyn Kogut and Mrs. Mary-Elizabeth Maynard

Dear CTEi Senior Class of 2016,

As you entered Leominster High School/Center for Technical Education Innovation School, it was probably with apprehension and confusion, contemplating how the next four years would evolve. The years have passed and, in retrospect, you found yourselves acclimating to alternating schedules, challenging courses and a multitude of personalities to which you needed to adjust. You chose activities that piqued your interest, broadened your knowledge and, in the process, developed friendships, many of which you will retain throughout your lives. You should leave these halls with fond memories and pride in your many accomplishments in scholastics, shops, sports and fine arts, all of which have prepared you for the next stage in your young lives.

We wish you happiness and love. We wish you many opportunities to excel in the pursuit of your individual choosing. Never be afraid to take risks in order to realize your dreams. That said, allow us to paraphrase some lyrics from the song I Hope You

Dance:

We hope you never fear those mountains in the distance,
Never settle for the path of least resistance
Livin' might mean takin' chances but they're worth takin'
Lovin' might be a mistake but it's worth makin'...
When you come close to sellin' out reconsider,
And when you get the choice to sit out or dance...
We hope you dance...We hope you dance.

Fondly,

Mrs. Cucchiara and Mr. McNamara

To the Class of 2016,

To say we've been through a lot is an understatement. Three different principals, numerous threats of violence, and possibly the worst "16" picture out on the lawn ever taken. It definitely hasn't been easy getting to where we are today. But, I wish I could say I'm glad it's over. I really enjoyed getting to know many of you over the years. Even through all of the drama, we've managed to make it through twelve years together. I know that many of you have lost friendships, gotten into fights, or done things that you regret, but I want to challenge you to put all of that behind you. These last few months are the last times we'll ever all be together. Now I know what you're thinking: "Great! Get me out of here! I hate everyone." Well, let me tell you, same here. Like you, I can't wait to be done and leave this place. But I'm always taken back to something my grandfather used to tell me. He'd say that high school was the best time of his life, and that the people he met while in school helped him find out who he really was. Years from now, I'm convinced, we'll look back on the drama we've experienced and see really just how insignificant it all was. So take the opportunity now to accept apologies and fix friendships, because you might not get the chance again.

I've had a great time with all of you, I've loved being your President, and I wish you all the best in whatever life brings.

Cheers,

Nick Valiton

Class

Freshman Year

The Class of 2016 began our high school career in August 2012. Due to renovations being done in the school it was a difficult transition from middle school to high school for our class. Although the renovations made it a challenge to find our way around we quickly adjusted to it. Juan Bermudez was voted Class President with Morgan Tait as Vice President. Working alongside was Pat Casey as Treasurer and Secretary Amanda Mills. For the annual Homecoming Game, Nick Valinton and Colbee Daignault were voted by our class as part of the Homecoming Court. We attended our first Thanksgiving Game with our Varsity Football Team leading us to victory. This year the Theatre Company presented the "Seussical the Musical" and "Charlotte's Web." With the year coming to an end, we started looking forward to sophomore year and not being the youngest in the school.

Sophomore Year

In August 2013 our class returned to the highschool after surviving our first year as freshman. We voted Juan Bermudez as our President once again and Kebret Ketema as Vice President. Pat Casey continued his work as Treasurer with Noah Cormier as Secretary. Anthony Lanciani and Colbee Daignault were voted by our class as the Homecoming couple. Once again our Varsity Football team gave us another win at the Thanksgiving game. Our Theatre Company performed "Chicago" and represented our school in the All-School Play putting on "The Crucible." This year was a rough year with our classes getting harder and learning to manage our time more. We were realizing by the end of this year that highschool seemed to be flying by faster than we thought it would. Although we were excited to begin Junior year and no longer be underclassmen.

History

Junior Year

In August 2014, we were very excited to return to the highschool as upper classmen. Our President was Kebret Ketema, Vice President was Nick Valiton, our Treasurer was Pat Casey, and our Secretary was Noah Cormier. Colbee Daigneault and Anthony Lanciani were welcomed on the football field for Homecoming court. The Blue Devils took home a win on Thanksgiving against Fitchburg and our theatre company preformed "Oklahoma" and represented LHS in the festival show preforming "Still Life with Iris". As peers transformed into licesnsed drivers, we all new the end of highschool was getting closer and closer each day. Even though junior year was coming to a close, we were excited to see what our last year of highschool would hold for us.

Senior Year

We walk through the doors of LHS in August 2015. It was our last first day of high school. We were welcomed by the brand new atmosphere and excited to see what type of memories this year would bring to us. Our President was Nick Valiton, Dylan Nadeau as Vice President, Treasurer was Patrick Casey, and Secretary was Amanda Mills. We voted Connor Skinner and Gina Mician to represent us on the Homecoming Court, and Colbee Daigneault and Anthony Lanciani were our King and Queen. The football team took home another win in our Thanksgiving Game against Fitchburg. The Theatre Company put on a wonderful play, "Brigadoon". This year was about making our last year of highschool a great one and making memories we would never forget. With seniorities sreadding rapidly, the Class of 2016 looked forward to graduation and finishing off a fun-filled year. We are lucky to be apart of such an outstanding class.

Powder Puff Game

Seniors vs. Juniors

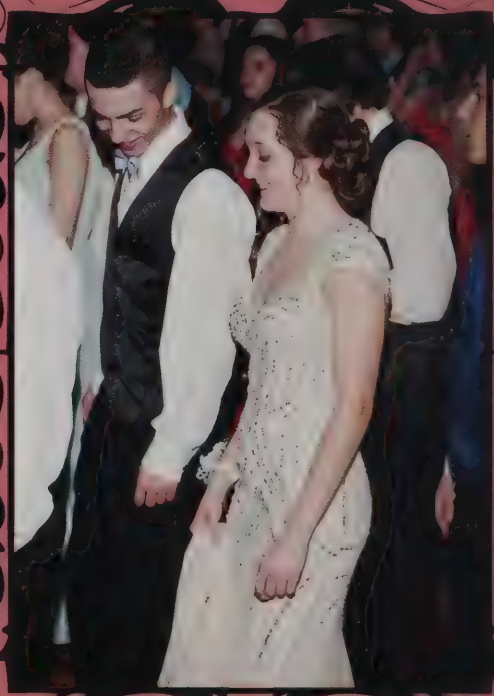

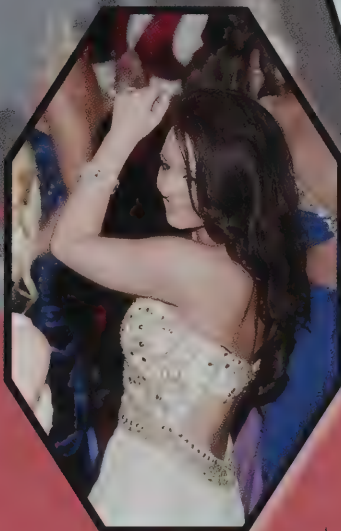

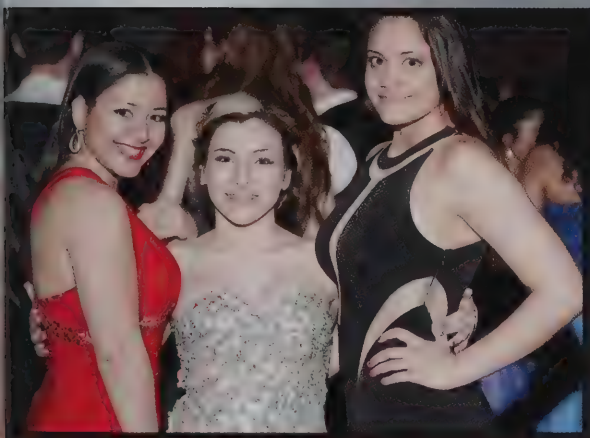

LHS Girls Seventh Annual Powder Puff Game was held at Doyle Feild on November 10, 2015. The seniors were ready to continue their winning history against the juniors. Although the juniors were well prepared, they were unable to defeat the well-coached seniors. The tradition continues with the seniors once again crushing the juniors. Next year the new seniors will look forward to overwhelming the juniors and coming out with a win.

Junior Prom

Saturday, April 11, 2015 the junior class gathered together to make prom as fun as can be. With this hollywood theme, everyone looked ready to walk down the red carpet.

Senior Breakfast

On November 24, the Class of 2016 met in the cafeteria to enjoy a delicious meal prepared by the Culinary Arts Program. Seniors ate french toast, scrambled eggs, bacon, sausage, and refreshing juice.

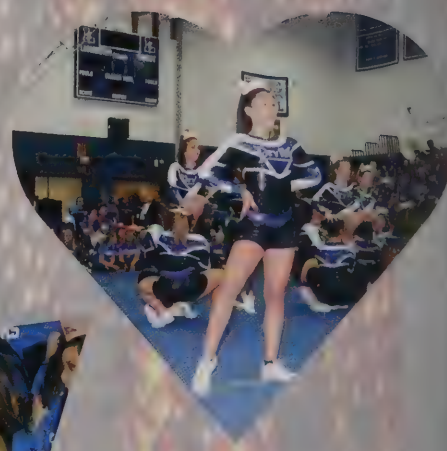

The Prom Committee presented a cake for Senior Advisor Ms. Kogut to surprise her on her birthday.

Thanksgiving Rally

The annual LHS Thanksgiving rally was fun and full of excitement. Both the cheerleaders and the football players were mocked. The rally was led by Veronica Paulo, Nick Valiton, Kayari Stewart, and Kateesha Guy, who with their enthusiasm created much excitement. In contribution to the roaring cheers of the crowd, Dr. Lord took off one senior shirt to continue traditions.

Thanksgiving Game

This year's Thanksgiving Day game was another victory for the Blue Devils 32-0, our 7th straight. The team was led by our defense, Keith and Kyle Jackson, Connor Skinner, Anthony Dandini, Matt Pryce, Noah Gray, Travis Storm, Juan Oquendo, Chris Jackson, Christian Nunez and Antonio Centofanti, which was able to keep Fitchburg off the scoreboard. Anthony Dandini had a great individual performance; he scored on the ground, on a punt return and later threw a touchdown pass; Anthony was named the game MVP. A special play in the game enabled back-up quarterback John Benham, who was a great teammate all year, to throw a touchdown pass to starting QB Noah Gray. Gray also caught a touchdown from fullback Anthony Dandini on another trick play. The seniors were able to celebrate after the game, knowing that they beat Fitchburg their senior year.

The Seniors were directed by Ms. Andrea Mastroianni. The Juniors were directed by Mr. Smith. The Sophomores were directed by Mr. Frances and the Freshman were directed by Mr. Peter DiFrancesco.

Pat Dear Class of 2016,

I could not have asked for a better first year as principal of LHS/CTEi. Your leadership and vision for you and your school's future has been inspiring. From extraordinary performances in the classroom, on the stage and on the field, it's been an honor getting to know you and the extended Leominster family. Watching you and your teachers work together in the classroom during the day and listening and watching you perform after school has been a lot of fun. When you reflect back on these years in high school our hope is that you got the head start you needed from your teachers to help make your dreams come true. While life will no doubt continue to challenge you, I am confident you will be able to face those challenges successfully as you have done here at our school. Keep in touch as you go forth and remember that we are so proud of you! We are.....BIG BLUE!!!!

Sincerely,
Chris Lord, PrincipalTuzzolo

The Leominster Girls Cross Country team finished the season with a league meet record of 0-5 and an overall record of 1-7. The team finished 6th in Midland Wachusett League Championship meet.

The team was led by junior Emma Cuchiarria, who was voted team MVP. Also running strong this season for the lady devils were junior Jocelyn Mendez, sophomore Ally Gagne and freshman newcomers Maraid Durkin, Meryl Warpola and Claire Higginson. The coaches award was given to Jocelyn Mendez for all of her hard work during the season. Senior Captain Alli DelGuidice was out with an injury but played an important role as captain all season.

Despite a strong start, the boys Varsity soccer team fought through a difficult season in 2015, finishing with a final record of 3-9-6. The team started off the season with two wins against North Middlesex, and ties against Wachusett and Shrewsbury, but from then on the team struggled to score goals and gain good results. However, the boys did stay competitive in all of their matches and gave strong challenges to some of the best teams in central Massachusetts. One highlight from later in the season was a tie against Worcester-South. All season the team was led by its strong defense. The defense was anchored by the team's two captains, senior Jeremy Narthey and junior John Gove, who played as central defenders.

Junior Conal McBride shut down some of the best attackers in the league, and freshmen John Liddy played very well after being called up from the JV team. Senior goalkeeper Dennis Siaw was the final key component to the defense, making spectacular saves throughout the season and kept his team in many games through his efforts. The Blue Devils offense was led by senior Alex Rivera, who scored 3 goals and had 5 assists. Other contributors up front were senior Caleb Muni and sophomore Anthony Gonzalez, who each scored 3 goals in the season, as well as junior Princely Tamfu and senior Perry Ofori. The central midfield position was held down all season by Noel Rymbai, being joined at different points of the season by sophomore Kevin Lozano and senior Gavier Cruz. Sophomore Victor de Oliveira, and junior

Paa Nuamah got a majority of minutes at the outfield midfield positions, but many other players contributed positive minutes at those positions as well, including senior Josh Mangold and junior Pablo Cano. The leaders of the defense were rewarded for their hard work by earning league all-star recognition. John Gove, Jeremy Narthey, and Dennis Siaw were all named to the Midland-A League All-Star team, while Narthey was also honored as a Central-Mass All-Star.

Record total: 6-9-3

Highlights: It was a transition year in terms of model/philosophy of play as was my first year as a coach. We had a really talented group where game by game, we saw a quick and positive improvement on the girls as individuals and as a team. It was hard to work due to the small period of time to practice before the league starts and also during the season due the amount of games per week.

We saw the girls playing good soccer, where they enjoy playing and where they made they made the people on the sideline enjoy watching them play.

We had a good ratio goal per game and the numbers in defense were getting better and better during the season, and a line defense completely new from last year as the main players were graduated..

This improvement had a good end, not only on the soccer perspective, also at the social-psychological. Winning our last game at senior night over Nashoba made a nice farewell to seniors and opened a new path to the coming girls where nothing is impossible if the work is appropriate and hard.

Regards,
Adrián Moya Salguero

This year's team had a terrific year finishing with a record of 8-3. The team overcame many obstacles during the year and in the end, was competing for another championship. With the new playoff system this team had to play St. John's two weeks in a row, winning 47-35 the first time, but losing a heartbreaker 35-30 in the second, which was the semi-final game of the Central Mass Championship. The team had an earlier loss to eventual state champion Nashoba by one point 28-27, being stopped on a two point conversion with 8 seconds to go in the game. The team finished off the season with a convincing win on Thanksgiving against Fitchburg, winning 32-0. The team was led by the captains, Ed Cuddahy, Connor Skinner, Kyle Jackson, Keith Jackson and Junior Noah Gray.

The 2015 Leominster Varsity Field Hockey team ventured yet again through an exciting season under the helm of Coach Tricia Nicholson, assistant Coach Katie Foley and JV Coach Kerry McCann. Even though the girls finished the season 3-13-12, and did not make playoffs, it was still a fun, hardworking and improving year for the Lady Devils. The talented group of seniors includes: Capt. All-Star Aislinn deHorsey, Capt. All-Star Morgan Tait, Calee Marchand-Jordan, and Selina Fascioli. They all played a part in our success this year. Congratulations to Aislinn for being MVP and the top scorer with 15 goals and 4 assists. She was also picked for "The Best of 60" in Central Mass. The Blue Devils will be looking forward to another strong season next year.

A challenging year for our Girls Volleyball Team. Though we had more losses than wins, we did have our special moments. Beating Fitchburg both home and away, when Alyssa fell on top of Jocelyn in practice, and pizza parties with our whole team. Coach Alex would get upset for not having his hawaiian pizza, We had great performance by our seniors, and our Senior Captain Colbee Daigneault (Coaches Award), Hannah Burns (Nominated for the Allstar) Heaven-Leigh Daniel (Defensive Player of the Year) and Sarah Hutchinson (MVP). This team was full of talents and the team is looking forward to guiding them to districts next season.

2015 saw the Blue Devils Varsity Golf Team set several regular season records on their way to an 11-7 record and a second consecutive berth in the District Tournament.

Despite a season-opening loss to St. Bernard's at Oak Hill Country Club, the team was buoyed by the performance of Senior Tri-Captain Noah Crotty who made an albatross on the par-5 seventh hole by hitting Driver and then holing out from the fairway for a deuce.

The team then went on two, three-match winning streaks behind the strong play of Senior Tri-Captain Patrick Casey. Patrick's strong all-around game was on display throughout the first half of the season and included an even-par 35 at home versus archrival Fitchburg.

The second half of the season was Potvin-time. Senior Tri-Captain Ryan Potvin, who had played solid golf through the first half of the season simply exploded in posting seven sub-40 rounds in the final nine matches to overtake Sophomore James Powers for Team Medalist honors for the season. Potvin's 39.07 average was good enough for the third-best scoring average since 1998.

Despite being overtaken in the final week for the team scoring title, Powers was nominated for, and later selected to be, a 2015 Midland A All-Star. He was the youngest player in the league to receive that honor this year.

For the season, the team posted a 199.33 scoring average to earn the distinction of having the lowest team scoring average since Coach Robichaud took over the program in 1998. In postseason play, the team posted a fourth place finish at the Midland A League Championship which was held at Juniper Hills as well as a fifth place finish at the District E Championship which was contested at Blackstone National Golf Course in Sutton, Massachusetts.

In postseason voting, the team selected Ryan Potvin as its Most Valuable Player and also its Most Improved Player for an unprecedented third year in a row and Patrick Casey and Noah Crotty were tabbed by the coaches to share the 2015 Coaches Award as well.

Captains for the 2016 campaign will have rising juniors Connor Edmands, Tyler Steffey, and Jake Hudson.

The Ice Hockey team had high expectations as the season began. And it started with a 2-1 victory over one of our rivals, St. Bernards. While the season did not end the way the team wanted (a 5-12-3 overall record), the Blue Devils were very competitive in all of their games. With stand-out wins against Algonquin, St. Bernards and cross town rival Fitchburg/Monty Tech, the Boys Varsity team created some memorable moments. Captain Brandon Lefebvre began the season on fire, scoring 6 of the teams first 8 goals. Cam Moran starting to find the scoring touch as the season went on. K.J. Dowling was a consistent force for the Blue Devils throughout the year. He played well in both ends of the ice and was a huge threat on the power play. All three of these seniors made the Central Mass All-Star team for Division 3. Jared Schofield was the other Senior on the team and was a vital part of the program. The future looks bright for the Leominster High Boys Ice Hockey team, as they are loaded with young talent that were able to gain great experience this year.

The Leominster Blue Devils 2015 - 2016 Season was quite an exciting year. This year we had several new faces that made a dramatic impact on the team, as well as some familiar faces, that, as always, were the anchor and heart and soul of this team.

Senior Highlights

This year the team rallied behind the senior captain leadership of Kristi Anderson and Sam Donohoe. Kristi celebrated her 100th career point as a Blue Devil, a bench mark never before accomplished in the womens program. Also, closing in on her 100 points, is Junior Katie Babineau, Andersons line mate. Finally on the top line is

Freshman stand out Sophie Shushter.

Senior defensive captain Sam Donohoe was the teams anchor on defense. Sam logged countless minutes on defense, and was as always the voice of inspiration to rally around. Her defensive partner, and Assistant Captain, Myranda Robichaud was also a pillar on defense, and a true athlete and competitor.

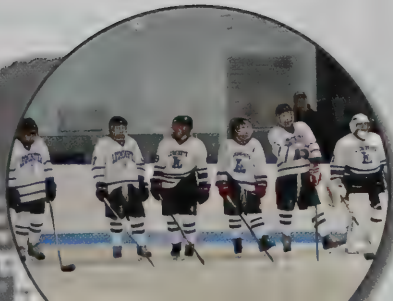

Senior Aislinn Dehorsey played adual role this season, helping out with offensive punch, and bracing defense, also notching a handful of wins in net as well.

The rest of the net minding responsibilities fell on the shoulders of Freshman upstart Shelby Guinard.

The ladies had a tremendous season, running deep into the playoffs, with an incredible win over rival Shrewsbury in a hard fought game. This was the third meeting between the teams this season, Shewsbury prevailling in the first two, with our Blue Devils coming up big when it mattered most.

The second round the ladies pulled Wellsley card, and with a hard fought 3-0 loss, the Lady Devils season came to a close.

And with the close of the season, we bid farewell to our Seniors, wish them well in their future endeavors, and remind them they will always be Blue Devils.

WRESTLING

The Leominster High wrestling team consists of a small but dedicated group of individuals whose hard work throughout the off-season and this year helped them build off of the previous season's momentum. While the dual record may not reflect it, each member of the team has improved significantly from the previous year and there were many standout, individual performances of note. Most notably, the team boasted four sectional place winners this year, with Ian Perla finishing second, Wesley Corliss and Christian Curll finishing fourth, and newcomer J.C. Thorburn finishing fifth. Three wrestlers, Ian, Christian, and Wesley, also qualified for the State tournament, a rather impressive feat. Leominster also had two wrestlers top 30 wins on the season. Ian Perla lead the team with 34 wins with Christian Curll not far behind, finishing with 31. Ian also lead the team in pins racking up a total of 30 falls in his senior season. Although the team is going to miss the leadership of their seniors, Ian Perla, Christian Curll, Nate Preville, and J.C. Thorburn next year, the younger kids, led by Wesley Corliss (24-18 with 16 pins), are committed and eager to fill their shoes.
